

Almeria Airport Reviews

Almeria Airport (IATA: LEI, ICAO: LEAM) is located 9 km (5.6 mi) east of the city centre in South-West Spain, in the province of Almería.

There is signed access to the Almeria Airport from the A7 “Motorway of the Mediterranean”, through the AL-17 dual carriageway. The A7 links to many cities along the coast of Spain. Local bus line 20 links the airport with the city centre. Taxis and car rental companies are available, too.

Almeria Airport is a modern airport, with arrivals and departures taking place on the main ground floor. It also has a terrace overlooking the runway.

Services:

ATMs / Cash Machines - There are two cash machines at the airport. One is located next to the restaurant and the other in the check-in lobby.

Car Rentals - Europcar • Goldcar • Hertz.

Food - Food options are very limited here.

»Landside: Abades Air

»Airside: On Time

Observation Terrace - Location: Planta 1

Showers - There are no showers at this airport.

Internet: Free WiFi is available at the Almeria airport for 15 minutes. Connect to the “kubiwireless” network.

Airport opening hours:

unknown (closes at night)
