

# Nice Cote d Azur Airport Reviews

Nice Côte d Azur Airport (French: Aéroport Nice Côte d Azur) (IATA: NCE, ICAO: LFMN) is an international airport located 3.2 NM (5.9 km; 3.7 mi) southwest of Nice, in the Alpes-Maritimes département of France. It is the third busiest airport in France and serves as a focus city for Air France and an operating base for easyJet.

The Nice Cote d Azur Airport is positioned 7 km (4 mi) west of the city centre, and is the principal port of arrival for passengers to the Côte d Azur. Due to its proximity to the Principality of Monaco, it also serves as the city-state's airport, with helicopter service linking the principality and airport. Some airlines market Monaco as a destination via Nice Airport.

Nice Cote d Azur Airport is located on the western end of the Promenade des Anglais. Buses go between the airport and the Gare de Nice-Ville railway station. The train station Nice-Saint-Augustin is near the airport (15 minutes by foot).
